Challenge Infinity. I design a structure that will not fail unless I first give it a shock at a point where the force of the shock is infinity...: No, Infinity Challenge was SUPREME! I was going to submit this video for the video of the week, but I want to make sure everyone sees it. This video, which was shot with my sister, is a challenge to everyone! I said that I would let anyone in the world watch it as long as everyone, including myself, watch it. This video would be seen by more people than anything I've ever uploaded. That's why this video is a challenge. It's watching a video of a video. There's no way to not see it if you see it. Infinity Challenge -- Infac. 2/12/2012.
