How can i change the colour scheme of my google map? 8/25/2012Â Â

How can I change the colour scheme of my google map? This is the problem I'm having: I created a new google map page in my web site. I created a new folder and downloaded the zip file of all the needed js and css files (maps, mapsajax.js, google.maps.alerts.js, etc) and then I copied the files inside my css folder. I checked them in my web browser and the map works perfectly. Now the problem: when I go to my html file, the maps automatically change to the default color scheme. How can I change the color scheme? How can I set it to my own? What is default color scheme and how can I change it? I'm doing something wrong, but I don't know what. Here's the html file where I copy the files in the css folder: Printing e-Ticket App var map; function initialize() { var myLatLng = new google.maps.LatLng(38.442827, -94.466456); var myOptions = { zoom: 12, center: myLatLng, mapTypeControl: true }; map = new google.maps.Map(document.getElementById("map\_6d1f23a050
